O R D E R

By Order dated March 1, 1995, the Commission established this proceeding for the purpose of gathering all filings required by Order dated December 29, 1994 in Administrative Case No. 323.¹ Included in these filings are implementation schedules related to intraLATA equal access competition. The schedules reflect intraLATA equal access conversion dates for each company by central office. The order in Administrative Case No. 323 required that conversion commence by July 1995 and be concluded by June 1998.

On May 3, 1995, Duo County Telephone Cooperative Corporation, Inc. ("Duo") submitted a letter to BellSouth Telecommunications, Inc. ("BellSouth") advising BellSouth that Duo needed a waiver from Commission conversion dates. The request involved three of Duo's four central offices and, if granted, would allow Duo to delay implementation of intraLATA equal access in the three offices until April 1999, October 1999 and December 1999, respectively.
